Disse: Kollektiv 2013

I couldn't hear a thing  
and that's because I was the one  
making all the noise  
it was on me —  
-Back Down, "Soup Songs"

On Bedding Bhenw kept in the OT waiting room

Make your mouth narrow

Shoulder now make your hands

open verbs make such

limbs flex now against ? into

the big gym the elephant

room now the platform

swing clothespins (wooden)

snaps zippers the invisibility

clock NO STANDING ON

CHAIRS NO RUNNING

now NO MOVING  
FURNITURE make your  
mouth open vowels make  
your fingers pinch an O  
now what's next like bris  
what's next MERRY play  
did you see the new york  
times if bid kids can  
outgrow autism lol.

On reading The Basic Virus in the OT waiting room

2 women kneeled with all  
the paperwork of 2 dx  
spread out on three  
chairs — over! over she  
says their names she  
says they're twins — yes —  
twins — like most of us  
she ignores the sign  
prohibiting with us not to use  
cell phones in the waiting

room 1 position

myself so I can look through

the reception window's stuff

door through to the big

gym for a glimpse of him

DO YOU HAVE YOUR

EXHAUSTION LETTER

she's reading perceiving she's

laughing the monkey

wasn't a joke once you

see the 2nd floor monkey was

top story (the first) is on 3 see

the boys playing on the floor

compare the state of their

broken woodys' buzzes

at home cotton matter

long after salmon

became an inoculation

advocate's had his house fire

boom! 2 pax upon it

the note said

[interesting]

the way we  
talk to one another so through through  
the blades of a floor fan  
medium setting

this word (

awareness of one's  
body in space.)

? his explanation of the big bang  
so that we are all made of stars  
so that volcano is 2 verb so that  
2 great noise still  
vibrates in our jaws rattle  
around in our heads pulses  
the windows down the thump  
thump thump of air 40 mph  
there there that's the sun now  
don't dive faster or slower

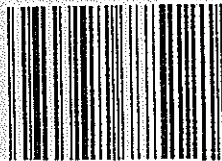

let him be  
interesting but not  
too interesting  
it's 2 new  
player!  
wrote it myself
