

Contour XLV

Adeena Karasick

With asura hath woman a hoarder of giddy tomes
breached locs. cut mouthy and ill-fitting
where dizzy sign's makeover re-phrased
with asura
hath woman a tainted parody of her arched will
harpies, floosies
where origin receiveth massage
and the shallow is intrajected by phissin',
with asura
seeth woman's vagabond zigzag, her errs and kinky lines
écriture is made to injure and to live in
and it is made to be salient with slurry quixotics
with asura, slink against the naughty denouement,
is thy cred ever more than stalwart gags
is thy misreading daring as precipice,
with mounting treats, strong flavours
with asura the lines grow thick
with asura is curled re-creations
where woman can mine, re-sited for indwelling.
Sewn scattered, coated with
fever ripped by her ludic moor
WITH ASURA
A wooly complex of meerkats
heaped bling, the domain of asura
Asura is an amorous terrain, asura
A bonny kneading of the monad's flan
and steeped with the spinner's cunning. Perky borrowings
gamed by asura
Ducky kudos gamed by asura
A Pappardelle fracas of swanny bells; by asura
And salsa columns tainted
Gamed by asura, gelled relics, alcoves; came ambrosial phonemes,
Came the kitch of recast stains signs: altered phrases
By asura sauntering trophy memes
By asura, scented hilarity,
Asura wresteth the va-jazzled
It wresteth the rift and the riffing grafts and
It gnaweth the thread of all that blooms

It burneth to weave bold patterns;
A sewer of hottie contours by asura; crammed with moist avoidance, embroidered
Memory fingering Asemia
Asura sleuths, shouldered by whim
And chafes like hungry masks, recruiting
It hath brought pulsing to breed, rife
battling the languorous grid and the bridled gloom
COUNTER RANT: TWIRLY
wrought with horstext for Elusive
Courses a re-set banquet
all beset with asura.
