*(largetto)*

new origin spigot. electric saw starting. live-fire exercise, the world in which you work.

new origin spigot. were cold corporeal. fall foul; full stop; something in the chill of it.

new origin spigot. the virgin circuit begs; fall foul; full stop. keep contents dry.

starting new origin spigot. atop (skin, leather). I said “seems,” not “said.”

starting new origin. unstable legs. tires: retires. swig, odds-on, optimism impossible.

new. origin. spigot. in the chill of it. start, starting, stop. work world, full foul, I said  
“leather.”

spigot. molecular anger exercise. I said, "said." no, not "seems." saw, stopping. spigot.

loud shout  
sign reminders  
loud shout  
astax  
eyebulbs

foreceps: prying up subject, prying up song

sign reminders

loud shout

sign reminders: lemon, pepper, potato

sign reminders: milk, smokes, Sunday paper

loud shout: streets cross, change names

starting new origin: wager oft wrong. mainframe tangle. one-third full means *contents dry*.

one-third full means *optimism impossible*. bet you didn't. forgot to lock it. someone thinks someone's wrong.

someone thinks someone's gone. by the boards, fall foul. furlong not, leagues be. not this pussy (meow) of assonance.

not this pussy (woof) of aggregates. peekaboo blowback. set to remember: the oysters of data, deep.

set to remember: battened even in data keep. draw curtain, cede for service. from one event, two.

from one event: is gas, now. plug ears. eyes required. yellow in the beginning, before.

yellow in the beginning before yellow was color. potty-trained. private school. will will  
cold what winter is.

will will cold vapour. peel back wrapper. astonishment opens. no word in French but *nécessité*.

no word in French but *invention*. catch cold, copy virus. head habit, counting backwards from one.

counting down to none. astonishment pops. cede data, remember set. skills tech alphabetic.

waver stein.  
ear handle.  
waver stein  
ear handle.  
anger billets, headache.  
anger billets, headache.

new origin spigot. event final. luggage fog, molecular yellow. way back. before origin.

last act. baked hangover, blasted brick. three rungs below, pictures exist. i said, "seems,"  
had said "said." took them. laid them in the break.
