Box of bones:

“Illustrious and distinguished male, Don Cristóbal Colón”  
traveled the foaming sea but once, though fame accorded  
it extra journeys. In probable truth,  
his weakly son’s remains (he who crossed the Atlantic only in  
Death), were admired the oftener.

Thugs on the throne could have been Gus and Tina, Disco  
rulers from B’klyn, 1970’s. You should see all that hair under  
a tiara.

Genghis Kahn was known to allow  
his adversaries the chance to forfeit

before the fight. An opportunity

to  
surrender

and declare his superiority

in order that they might live

under his rule. Should they refuse,

he was merciless.

society imagining itself as co-existing  
collectively through vaguely democratic means,

Kahn killed to unify.

In one case, he poured liquid silver into the ears and mouth  
of an opponent.

HIAWATHA, Iowa—

Federal Immigration officials say nine roofers have been arrested in the middle of a job in Hiawatha for being in the country illegally.
