pendergast

xx

lover i pelt a note
via button
must i wear on
my stipples

stealth loans

xx

off flaws the sun on
the table
switches the lights serif
tears you catch the
babyday and come bach

xx

violet also wearing
your suit of yours
baywater sewnwater stereo
blue

xx

orange DAYS
on pyramid STEPS
a smaller up there ever
more pronounced
'roach'
you are
we
in the difficult glare
we stamp

xx

witches which
hairs fleas flies
bees itchily
dish faggots
stop day cart
decant

xx

if not night
then then then
a long un

xx

hound dog sack
clothes down
dog kick it
loud down
me putting my-
self together
w/ shirts

xx

flat house port flows
genuine diffractions
a slot of stars
house my life down
to dot you
suits leaflets & sticks

xx

off pilgrim hemorrhaging
sanctioned flies off
the flaps at your ears
a leather
human pilgrim hat flaps
fly off blood pilgrim
wolverine unto
the new worldish
short story

xx

no is a call no is a call
your voice is a purple bear
no saw the errors
on your face
bright
pushy
you my no,
no purpose purple
awe

xx

The blood inside me
turns a white white place
infundibulum
a noise you issues
forwards in white balls
